(a) possesses such academic qualifications as may be specified by the regulations made under this Act; and

(b) is a member of a professional body of surveyors and loss assessors, namely, the Indian Institute of Insurance Surveyors and Loss Assessors:

Provided that in the case of a firm or company, all the partners or directors or other persons, who may be called upon to make a survey or assess a loss reported, as the case may be, shall fulfill the requirements of clauses (a) and (b).

(2) Every surveyor and loss assessor shall comply with the code of conduct in respect of his duties, responsibilities and other professional requirements, as may be specified by the regulations made under the Act.

(3) Notwithstanding anything contained in the foregoing provisions, a class or class of persons acting as a licensed surveyor or loss assessor prior to the commencement of the Insurance Laws (Amendment) Act, 2015 (5 of 2015) shall continue to act as such for such period as may be specified by the regulations made under this Act:

Provided that the surveyor or loss assessor shall, within the period as may be notified by the Authority, satisfy the requirements of clause (a) and clause (b) of sub-section (1), failing which, the surveyor or loss assessor shall be automatically disqualified to act as a surveyor or loss assessor.

(4) No claim in respect of a loss which has occurred in India and requiring to be paid or settled in India equal to or exceeding an amount specified in the regulations by the Authority in value on any policy of insurance, arising or intimated to an insurer at any time after the expiry of a period of one year from the commencement of the Insurance Laws (Amendment) Act, 2015 (5 of 2015), shall, unless otherwise directed by the Authority, be admitted for payment or settled by the insurer unless he has obtained a report, on the loss that has occurred, from a person who holds a licence issued under this section to act as a surveyor or loss assessor (hereafter referred to as “approved surveyor or loss assessor”):

Provided that nothing in this sub-section shall be deemed to take away or abridge the right of the insurer to pay or settle any claim at any amount different from the amount assessed by the approved surveyor or loss assessor.

(5) The Authority may, at any time, in respect of any claim of the nature referred to in sub-section (4), call for an independent report from any other approved surveyor or loss assessor specified by him and such surveyor or loss assessor shall furnish such report to the Authority within such time as may be specified by the Authority or if no time limit has been specified by him within a reasonable time and the cost of, or incidental to, such report shall be borne by the insurer.

Provided that where the Authority issues a direction for settling a claim at a figure lower than that at which it has already been settled, the insurer shall be deemed to comply with such direction if he satisfies the Authority that all reasonable steps, with due regard to the question whether the expenditure involved is not disproportionate to the amount required to be recovered, have been taken with due dispatch by him:

Provided further that no direction for the payment of a lesser sum shall be made where the amount of the claim has already been paid and the Authority is of opinion that the recovery of the amount paid in excess would cause undue hardship to the insured:

(7) No insurer shall, after the expiry of a period of one year from the commencement of the Insurance Laws (Amendment) Act, 2015 (5 of 2015) pay to any person any fee or remuneration for surveying, verifying or reporting on a claim of loss under a policy of insurance unless the person making such survey, verification or report is an approved surveyor or loss assessor.

(8) Where, in the case of a claim of less than the amount specified in sub-section (4) in value on any policy of insurance it is not practicable for an insurer to employ an approved surveyor or loss assessor without incurring expenses disproportionate to the amount of the claim, the insurer may employ any other person (not being a person disqualified for the time being for being employed as a surveyor or loss assessor) for surveying such loss and may pay such reasonable fee or remuneration to the person so employed as he may think fit.

(9) The Authority may in respect of any claim of value of less than the amount specified in sub-section (4) on an insurance policy, if the claim has not been or is not proposed to be reported upon by a surveyor or loss assessor, direct that such claim shall be reported upon by an approved surveyor or loss assessor and where the Authority makes such direction, the provisions of sub-sections (5) and (6) shall apply in respect of such claim.

(10) Where, in relation to any class of claims, the Authority is satisfied that it is customary to entrust the work of survey or loss assessment to any person other than a licensed surveyor or loss assessor, or it is not practicable to make any survey or loss assessment, it may, by an order, exempt such class of claims from the operation of this section.]

Provided that when a group of insurers ceases to be a group, every insurer in that group who continues to carry on any class of insurance business in India shall comply with the requirements of sub-section (1) as if he had not been an insurer in a group at any time:
